## **ADOPTION OF THE ETHICAL CODE IN DAL CIN**

On July 1<sup>st</sup> Dal Cin Spa adopted their own Code of Ethics, after the resolution of the Board of Directors of 20/5/2014, in view of applying the model of management and control described in the Italian Law 231/2001 on the administrative responsibility of the company.

All the stakeholders (directors, employees, contractors, agents and consultants, as well as suppliers of goods and services) are committed to respect the guidelines of the Dal Cin Spa Code of Ethics, based on the assessments made during the study of the possibility of crimes expressed in the Italian law 231/2001 and subsequent updates.

Dal Cin Spa remind that their ethical principles are considered accepted by all the suppliers through the simple acceptance of the order/supply, engaging them in behaviors and strategies in line with ethics and fairness expressed in the Code of Ethics.
